DIMINISHING QUALITY OF LIFE & CATCHES

A little bird was flying south for the Winter.
It was so cold the bird froze and fell to the
ground into a large field.

While he was lying there, a cow came by
and dropped some dung on him.

As the frozen bird lay there in the pile of
cow dung, he began to realize how warm
he was.

The dung was actually thawing him out!
He lay there all warm and happy, and soon
began to sing for joy.

A passing cat heard the bird singing and
came to investigate. Following the sound,
the cat discovered the bird under the pile
of cow dung, and promptly dug him out
and ate him.

(3) And when you're in deep shit, it's best
to keep your mouth shut!

(2) Not everyone who gets you out of shit is
your friend.

(1) Not everyone who shits on you is your enemy.
